

As regards the queries pertaining to this Department, we advise as under:-

क्रम सं.	मांगी गई सूचना	हमारा जवाब
	In May 2016 the security firm Symantec published an article stating that the computer networks of several Indian organisations had been breached by a cyberespionage group called Suckfly, One of the targets, according to Symantec, was a financial institution, On this matter, I would like to obtain the following information from RBI under the Right to Information Act of 2005:	
1.	Was RBI informed by any Indian bank about this breach of its systems? Please provide clear photocopies or printouts of any emails, letters, memoranda or other communications conveying this information.	The required information is not available with us.
2.	If RBI was informed, by whom and on what dates? Please provide clear photocopies or printouts of any emails, letters, memoranda or other communications conveying this information.	-do-
3.	Does RBI know the identity of the financial institution that was breached? If so, please provide the name and address of the target. Please provide clear photocopies or printouts of any emails, letters, memoranda or other communications that RBI received or sent conveying this information.	-do-
